

RETURNS AND REFUND POLICY

Thanks for purchasing our products at www.abeytrust.com operated by ABEYTRUST TECH SOLUTION. In order to be eligible for a refund, you have to return the product within 8 calendar days of your purchase. We'll accept return requests for items that are unopened, unused, with the original tags still intact. The product(s) must be in their original packaging, if applicable, in the same condition it was received. If the product is damaged in any way, or you have initiated the return after 8 calendar days have passed, you will not be eligible for a refund.

Once we receive your returned item, our team will review your request and inspect the item. We will send you an email to confirm that we've received your item and are processing your request. We'll follow up with another email once the request has been processed to let you know if your return was approved.

If approved, the money will be refunded to your original method of payment within <two weeks>. All payment companies are different in the amount of time it takes to confirm a payment, so it will likely take a minimum of a few days for the refund to show up in your bank statement.

In the unlikely event that you receive a damaged or defective item, we're happy to exchange the item for a new one. Please email support email address within 8 days of receiving your product to begin the process.
